OUR STORY

NB

NB Distillery is a family run, multi-award winning, luxurious Gin, Vodka and Rum Distillery. Tucked away in a cosy corner of North Berwick in sunny East Lothian, the NB family of spirits are enjoyed by Royalty, Rolls Royce and celebrities around the world.

Steve and Vivienne Muir started this wonderful journey back in 2011, when they decided they needed a new challenge. Both practicing lawyers, they were looking for something very different to do. Both lovers of Gin, the dream began!

It all started with Vivienne's mum's pressure cooker. Connected with some copper central heating pipes and running through a plastic tub of iced water they began creating NB Gin, which would later be voted the "World's Best London Dry Gin". It took over 200 attempts before they cracked the recipe.

In 2013 they obtained their licence to 'Thrill' and have since won several awards and served their wonderful NB Gin to the Queen on her ninetieth birthday and to many celebrities at The Brits!

In March 2018 NB Distillery opened its doors for Connoisseur Tours, tantalising tastings and a touch of ...ta dah!
